INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Central Carolina Community Foundation
Columbia, South Carolina

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of **Central Carolina Community Foundation** and subsidiaries (Foundation) which comprise the consolidated statement of financial position as of June 30, 2018, and the related consolidated statements of activities and cash flows for the year then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Central Carolina Community Foundation and subsidiaries as of June 30, 2018, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

The consolidated financial statements of Central Carolina Community Foundation, as of and for the year ended June 30, 2017, were audited by Derrick, Stubbs and Stith, LLP (predecessor auditors), whose partners joined Mauldin & Jenkins, LLC on October 1, 2017. Derrick, Stubbs and Stith, LLP's report dated September 27, 2017, expressed an unmodified opinion on those statements.

Columbia, South Carolina

CENTRAL CAROLINA COMMUNITY FOUNDATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1. GENERAL INFORMATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and General Information:

Central Carolina Community Foundation (the Foundation) was established in 1984 as a nonprofit corporation. The Foundation receives and administers gifts, grants and bequests for charitable purposes generally in the areas of humanities, arts, education, the environment, health and social services. The Foundation's support is primarily in, and for the benefit of, the central area communities of South Carolina. The Foundation is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code.

Basis of Presentation:

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Classification of Net Assets:

Under Subtopic ASC 958-205 (*Endowments of Not-for-Profit Organizations: Net Asset Classification of Funds Subject to an Enacted Version of the Uniform Prudent Management of Institutional Funds Act, and Enhanced Disclosures for All Endowment Funds*) provides guidance on the net asset classification of donor-restricted endowment funds for a not-for-profit organization that is subject to an enacted version of the Uniform Prudent Management of Institutional Funds Act of 2006 (UPMIFA). UPMIFA was enacted by the State of South Carolina in 2008.

The Foundation generally does not accept contributions that are not wholly expendable by the institution on a current basis. The Foundation's governing documents and fund agreements give the Foundation's Board variance power to modify donor instructions that are incapable of fulfillment or inconsistent with the charitable needs of the community. As a result of variance power, most contributions are classified as unrestricted net assets for financial statement purposes.

The Foundation's temporarily restricted net assets are comprised primarily of irrevocable charitable remainder trusts, charitable gift annuities, and life insurance funds. These assets are classified as temporarily restricted due to time restrictions as the assets will not become available for the Foundation's use until the time a stated event occurs. Once the event occurs, these assets are subject to the same variance power as those aforementioned and are reclassified to unrestricted and reported in the consolidated statements of activities and changes in net assets as net assets released from restrictions.

The Foundation's Board has not taken action to declare any portion of the Foundation's assets as permanent or temporary endowment funds that are not subject to expenditure if circumstances warrant.

**CENTRAL CAROLINA COMMUNITY FOUNDATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

NOTE 1. GENERAL INFORMATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Classification of Net Assets (Continued):

Consistent with the National Standards for U.S. Community Foundations, the Foundation classifies its unrestricted net assets (noting that all are subject to the aforementioned variance power) as follows:

Designated:

Funds in which the beneficiaries are specified by the grantors.

Donor Advised:

Funds that have at least three characteristics (1) a donor or person appointed or designated by the donor has, or reasonably expects to have, advisory privileges with respect to the fund's distribution of investments, (2) the fund is separately identified by reference to contributions of the donor(s), and (3) the fund is owned and controlled by one of the Foundation's sponsoring organizations. A fund possessing these characteristics may be exempt from the donor advised fund classification if it grants to one single public charity or government unit or if the fund meets certain requirements applicable to scholarship funds.

Field-of Interest:

Funds that are used for a specific charitable purpose.

Unrestricted:

Unrestricted net assets of the Foundation's and affiliated organizations.

Board Designated:

Administrative, and other funds available for the Foundation's unrestricted use at the direction of the Board.

Interpretation of Relevant Law:

The Foundation's Board of Directors has determined that the Foundation is not subject to the net asset classification of funds requirements of ASC 958-205 because (1) the Foundation's Board retains complete variance power pursuant to its governing instruments and fund agreements over the spending purpose and amount (including principal) for substantially all assets owned by the Foundation, and (2) the Foundation's Board has never earmarked or otherwise designated any portion of the Foundation's assets as a permanent or temporary endowment that is not subject to expenditure if circumstances warrant.

CENTRAL CAROLINA COMMUNITY FOUNDATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1. GENERAL INFORMATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Policy:

The Foundation's Board of Directors has the ultimate responsibility for its investment funds and related investment returns. The Foundation's pooled funds are invested under an asset allocation policy that is expected to provide returns adequate to enable the Foundation to make grants and pay operating expenses. Under its current policy, the Foundation's pooled funds are invested in a manner intended to produce results that exceed certain relevant market indices over a specified time horizon. To satisfy its long-term rate of return objectives, the Foundation exercises due care to diversify pooled investment fund assets through its strategies to achieve the stated objectives for the Foundation in accordance with the asset allocation policy. Actual investment returns in any given year will fluctuate.

Spending Policy:

The Foundation's Board of Directors sets an annual spending rate for certain funds included in the investment pool. These funds include the field of interest, designated, unrestricted and Board designated fund classifications. The spending rate is based on a 20-quarter rolling average of applicable fund balances calculated as of March 31 of the preceding year.

Fair Value Measurements:

The Foundation's financial assets carried at fair value have been classified, for disclosure purposes, based on a hierarchy defined by ASC 820-10, *Fair Value Measurements*. The hierarchy gives the highest ranking to fair values determined using unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest ranking to fair values determined using methodologies and models with unobservable inputs (Level 3). The levels of the fair value hierarchy are as follows:

- Level 1 Values are unadjusted quoted prices for identical assets and liabilities in active markets accessible at the measurement date.
- Level 2 Inputs include quoted prices for similar assets or liabilities in active markets, quoted prices from those willing to trade in markets that are not active, or other inputs that are observable or can be corroborated by market data for the term of the instrument. Such inputs include market interest rates and volatilities, spreads and yield curves.
- Level 3 Certain inputs are unobservable (supported by little or no market activity) and significant to the fair value measurement. Unobservable inputs reflect the Foundation's best estimate of what hypothetical market participants would use to determine a transaction price for the asset or liability at the reporting date.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**CENTRAL CAROLINA COMMUNITY FOUNDATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

NOTE 1. GENERAL INFORMATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (Continued):

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2018.

Mutual Funds:

Mutual funds are valued at the closing price reported on the active market on which the individual securities are traded.

Foreign Bonds:

Foreign bonds are valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings.

The following table represents the Foundation's financial assets and liabilities measured at fair value on a recurring basis as of June 30, 2018:

	Level 1	Level 2	Level 3	Totals

	\$ 82,333,007	\$ 98,731,269

Office Equipment and Depreciation:

Office equipment has been valued at cost, except the equipment which has been donated from outside sources. This equipment is recorded at fair market value at the time of donation. It is the Foundation's policy to capitalize all fixed asset acquisitions that exceed \$1,000 in value. Depreciation of office equipment is computed on the straight-line basis over estimated useful lives of five to twelve years. Depreciation expense was \$5,603 and \$5,141 for the fiscal years ending June 30, 2018 and 2017, respectively.

Charitable Remainder Interest:

The Foundation is the beneficiary of numerous charitable remainder trusts. The trusts will distribute their assets upon the death of all income beneficiaries. The Foundation's portion has been valued using present value factors that are applied to the fair market value of the trusts at June 30, 2018 and 2017.

Life Insurance Policies:

The Foundation is owner and beneficiary of four life insurance policies. At June 30, 2018 and 2017, respectively, these policies had an aggregate face value of \$364,609 and \$469,609 and a total surrender value of \$224,650 and \$223,870. As of June 30, 2018 and 2017, respectively, the Foundation was entitled to receive 73% and 55% of the face value and 74% and 66% of the total surrender value of the policies.

Grant Expense:

The Foundation records grant expense at the time a grant is paid.

NOTE 1. GENERAL INFORMATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Advertising Costs

Advertising costs are charged to expenses as incurred. Total advertising and promotional costs incurred are \$49,264 and \$50,308 for the fiscal years ending June 30, 2018 and 2017, respectively.

Use of Estimates:

The Foundation uses estimates and assumptions in preparing its financial statements in accordance with generally accepted accounting principles of the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. The most significant estimates are the estimation of the fair value of financial instruments, depreciation, and the value of donated services and equipment. Actual results could vary from the estimates that were used.

Lead Annuity Trust:

The Foundation is the beneficiary of three annuity trusts. The Foundation's portion has been valued using present value factors that are applied to the annuity amounts.

Managed Assets:

The Foundation has two supporting organizations for which it provides administrative services. Of the cash and investment assets managed under these agreements, certain assets are titled in the supporting organization's name. It is the Foundation's policy to record these investments and cash as assets of the Foundation, with the related payable to the supporting organization.

Principles of Consolidation:

The accompanying consolidated financial statements include the accounts of the Foundation and several wholly-owned subsidiaries after the elimination of all material intercompany accounts, transactions, and profits. The investment is accounted for under the equity method. The subsidiaries were formed in December 2005 and December 2007 for the purpose of holding real estate gifts until they are sold. It is the policy of the Foundation to transfer all related cash received as a sale back to the Foundation.

Investments:

Investments in equity securities with readily determinable fair values and all debt securities are recorded at fair value determined because of quoted market prices. Investments in alternative investments are carried at fair value as determined by the fund manager. Because the Foundation's alternative investments do not trade on secondary exchanges, a market valuation is not readily or easily determinable.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1. GENERAL INFORMATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investments (Continued):

Investment transactions are reported on a trade-date basis. Realized gains and losses of equity and debt securities are determined because of specific identification. Realized gains and losses of mutual funds are determined by average cost basis of shares sold.

Investment income or loss (including gains and losses on investments, interest, and dividends) is included in the statement of activities as increases or decreases in unrestricted net assets unless the income or loss is restricted by donor or law. Investments are recorded at cost when purchased or at market value at date of gift. Land Held for Resale is recorded at the lower of cost or market.

Income Taxes:

The Foundation is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code. Management has evaluated the Foundation's tax positions and concluded that the Foundation had taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of this guidance.

Recent Accounting Pronouncements:

In August 2016, the FASB issued ASU 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities*. The amendments require the Not-for-Profit (NFP) to present two classes of net assets on the face of the statement of financial position, net assets with donor restrictions and net assets without donor restrictions, rather than the currently required three classes. The amendments also require enhanced disclosure of information that will improve the decision usefulness of the information. The NFP will continue to report amounts for total net assets and changes in each of the two classes of net assets. The amendments in this Update are effective for annual financial statements issued for fiscal years beginning after December 15, 2017. Early application of the amendments in this Update is permitted. Management does not anticipate ASU 2016-14 will have material impact on the Foundation's changes in net assets of financial position.

NOTE 2. DONATED SERVICES AND EQUIPMENT

The value of services and equipment donated by volunteers, where integral to the operation of the Foundation, has been reflected herein as estimated by management.

NOTE 3. FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

NOTE 4. FUNDRAISING EVENTS

The amount reported for fundraising events, the Best of Philanthropy Celebration, is net of related expenses of \$24,238 and \$23,665 for the years ended June 30, 2018 and 2017, respectively, and consists of actual receipts and disbursements.

NOTE 5. TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets consist of the following:

	<u>2018</u>	<u>2017</u>
Foundation's Share of Unitrusts, Pooled Income Funds, Annuity Trusts, and Life Insurance Policies	<u>\$ 17,434,641</u>	<u>\$ 18,147,336</u>

NOTE 6. NET ASSETS RELEASED FROM RESTRICTIONS

Net assets were released from restrictions during 2018 and 2017 as follows:

	<u>2018</u>	<u>2017</u>
Passage of time	<u>\$ 174,684</u>	<u>\$ 14,896</u>

NOTE 7. DEPOSITS

The Foundation maintains its bank accounts at eight financial institutions. At June 30, 2018 and 2017, respectively, the bank balances of these accounts were \$5,812,516 and \$5,348,638 and the carrying amounts were \$5,165,272 and \$4,758,085. With the exception of \$4,794,703 and \$4,077,897, the Foundation is covered by additional insurance for those amounts within federally insured limits. The Foundation is consciously investing over the FDIC limit at several institutions. In an effort to attain some return on short-term investments, the Foundation chose institutional risk over market risk, and is monitoring the financial stability of all the institutions very closely. The Foundation considers all highly liquid debt instruments purchased with an initial maturity of three months or less to be cash equivalents.

The Foundation offers donors the option to start a fund that is placed in cash and cash equivalents, rather than in the investment pool. The cash and cash equivalents balance will increase as additional receipts for this fund type are collected.

NOTE 8. RETIREMENT PLAN

For the years ended June 30, 2018 and 2017, the Foundation sponsored a 401(k)-retirement plan for all eligible employees. The Foundation contributes 6%, which totaled \$46,095 and \$39,267 for the years ended June 30, 2018 and 2017, respectively.

CENTRAL CAROLINA COMMUNITY FOUNDATION

NOTE 9. OPERATING LEASE

The Foundation leases office space in Columbia, South Carolina, under an operating lease that began on November 1, 2010, was amended on December 1, 2015, and will expire on December 31, 2018. The Foundation has secured a month-to-month leasing arrangement beginning January 1, 2019. The Foundation incurred \$51,851 and \$50,347 in rent expense in the years ending June 30, 2018 and 2017, respectively. The Foundation incurred \$4,560 and \$4,560 in office equipment lease expense in the years ending June 30, 2018 and 2017, respectively. Minimum future payments under these leases are as follows:

Year Ending	
2019	\$ 30,865
2020	3,372
2021	913
2022	-
Total lease payments	<u>\$ 35,150</u>

NOTE 10. SUBSEQUENT EVENTS

The Foundation evaluated subsequent events through December 12, 2018, the date these consolidated financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these consolidated financial statements.
